

I just wanted to let you know how happy we have been with our new ORSCO lubrication systems. The uniformity of the oil coating along with the 90% reduction in oil usage is impressive. We use a full synthetic oil in our assembly process which makes our oil costs significant. I have projected that these new systems will save us over \$20,000.00 per line per year. I have attached a spreadsheet with some cost info. Thanks again for a great product.

Assembly Oil Savings Line Two (Annual)

Old Oiling System

| | | | |
|--------------|-------------|------------|--------------------|
| Main | | | |
| Bearing | 1 gal/shift | 500 gal/yr | \$7,676.00 |
| Fixed Scroll | 1 gal/shift | 500 gal/yr | \$7,676.00 |
| Orbit Scroll | 1 gal/shift | 500 gal/yr | <u>\$7,676.00</u> |
| | | | \$23,028.00 |

New Lincoln Orsco System

| | | | |
|--------------|----------|-----------|-------------------|
| Main | | | |
| Bearing | 1 gal/wk | 52 gal/yr | \$798.30 |
| Fixed Scroll | 1 gal/wk | 52 gal/yr | \$798.30 |
| Orbit Scroll | 1 gal/wk | 52 gal/yr | <u>\$798.30</u> |
| | | | \$2,394.90 |

Annual Savings \$20,633.10
